**2023 Report**

## MAY 7TH, 2023: SANITARY PAD DONATION

In May, Mimi's Home Charity demonstrated its commitment to addressing the critical issue of menstrual hygiene among young girls. *We donated 30,000 sanitary pads to girls aged 14 to 18 who were still using fabric as sanitary pads due to financial constraints.* This act of compassion helped to provide these girls with essential hygiene products and promote their health and dignity. The total value of the donated sanitary pads was 300,000 Naira.

# ONGOING SCHOOL SUPPORT

Our dedication to the education of underprivileged girls remains steadfast. We continue to pay the school fees of a girl we have been supporting since her Junior Secondary School year (JSS1). She is now in SS1, and we are proud to have played a role in her educational journey.

## ✓ September 3rd, 2023: Food Bank Initiative

In September, Mimi's Home Charity introduced a new initiative – the Food Bank. We provided essential food items, including rice, Indomie, groundnut oil, food seasoning, tomato paste, salt, spaghetti, and more to 20 families in need. The total value of this contribution was 70,000 Naira.

We also told up Four children  
that we feed 3 times a week

This initiative aimed to address  
food insecurity and ensure that  
families have access to  
nutritious meals.

✓ **Education and School Fee Support Expansion**

From September to October, we expanded our support by taking on the school fees of an additional 13 children. This extension of our education support reflects our commitment to breaking down the barriers to education that many underprivileged children face.

# UPCOMING PROJECT

Looking ahead to the remainder of 2023, Mimi's Home Charity is embarking on an exciting new project. We are planning to extend our Food Bank initiative to reach 500 families, providing them with vital food supplies. This project underscores our mission to alleviate hunger and improve the quality of life for those in need within our community. ***In December 23rd and 24th 2023***

***Amount needed 1.2 million.***

**Mimi's Home Charity** remains dedicated to its mission of making a positive impact on the lives of underprivileged individuals, especially young girls and their families. We look forward to continuing our work and making a difference in the lives of many more in the days to come.
